Michelle Lassaline Reno

THE MAGIC OF MASKS

Michelle Lassaline's exhibits of landscapes and performances in her hand-made papier-mache animal masks draw audiences of all ages. A Carson City native, Lassaline's work has been featured at the Nevada Museum of Art, Sierra Arts Foundation, St. Mary's Art Center, UNR and Sierra Nevada College. For her *Work of Artists* presentation, Lassaline invites the public to meet and interact with some of her fanciful characters, including the Highland Cow, Pashmina Goat, Mountain Bluebird, and Wild Burro, just to name a few. Co-sponsored by Capital City Arts Initiative.

Nevada Arts Council • The Nevada Arts Council (NAC), a division of the Department of Tourism and Cultural Affairs, was created as a state agency in 1967. With offices in Carson City and Las Vegas, the agency's mission is "to enrich the cultural life of the state through leadership that preserves, supports, strengthens and makes accessible excellence in the arts for all Nevadans." NAC programs serve as a catalyst to stimulate artistic, cultural and economic activity across the state, ensure lifelong learning in the arts for all Nevadans, and increase public and private support for the arts. Visit our website at nac.nevadaculture.org or call 775.687.6680 for more information.

SENarts • SENarts is a partnership between the Nevada Senate, Nevada Arts Council, Nevada Division of Museums and History and the Brewery Arts Center. With the goal to promote the visual arts in the Senate areas of the Legislative Building, SENarts features exhibits and artist presentations that are available to the public throughout the year.
